TESTIMONIALS:

"René was exceptionally helpful in explaining all of the questions I had regarding the setup of appearance pages. She suggested the wonderful service of remote access to my computer, so I could sit in the comfort of my own home at a time that was convenient for both of us. She goes aboveboard to help out with any questions you ask as well as offer excellent advice on things you may not think of!" *Cherie White, Hammond, LA*

"I contacted René on Facebook through a Case Catalyst group. She contacted me right away and we set up a time to get together (via phone/e-mail/computer). Thank God for technology. Her knowledge of CC software is top-notch, and we had a great session. All my issues were addressed, and I have referred many people to her since. I won't hesitate to use her again when the time arises." *Shari Stellhorn, Huntington Beach, CA*

"Training with René was the smartest thing I did. I scheduled a short training session to make sure what I learned really stuck. It has saved me so much time and really helped my productivity. So grateful. Best thing ever!!" *Rose Davila, San Antonio, TX*

"My training with René was excellent. Every step was meticulously taught and practiced. She went a step further to download the Texas Format into my system and updated all program requirements so that I was ready to operate when I completed the training. Couldn't have been a better experience." *W. Mary Truman, Houston, TX*

"René is a fantastic trainer. She has taught me everything I know on Case Catalyst. She walks me through realtime setup all the way to dictionary maintenance. She takes the time to help with cover pages and truly has saved me countless hours of editing time with the shortcuts I have learned from our time together. I am a better reporter due to our training sessions!" *Sara Bielamowicz, Houston, TX*
