

Attending an Ascend Premium Event is as easy as 1-2-3

1. If you're not yet a member of Ascend, click [HERE](#) and follow the steps to subscribe to Ascend and then start your free trial of Ascend Training by Stenograph. Although you will choose a monthly or annual subscription rate, **you will NOT be charged** when you sign up; it costs you nothing to become a member.
2. Once you are a member, click **Premium Events** in the Menu Pane and then select the upcoming Premium Event that you want to attend. You will see a link to purchase access.
3. Once you have purchased the event, click the Webinar Link to complete Zoom registration for the class. You will receive email confirmation that you are registered, along with the link for the live class.

Please note:

- CEUs are **ONLY** available for those who attend the live event. The event will be recorded, and the video will be available for viewing on-demand, 24/7, a few days after the event takes place. You will be able to access the video and any other content (e.g., PDF handouts, sample files, etc.) for as long as you remain a member of Ascend.
- Attendees will receive documentation they can submit to NCRA for CEUs within a few days after the webinar, along with instructions for direct online submission to NCRA to self-report their credits. Prices for Premium Events do not include NCRA's CEU submission fee.
- These events are not pre-approved for state continuing education credit.
