

CaseTestify's Exhibit Management

CaseTestify, the complete remote and hybrid legal proceeding solution designed for the legal industry, simplifies, and streamlines how exhibits are managed. Designed to follow the same process as in-person depositions, CaseTestify allows you to upload, stamp, and share digital exhibits while being flexible enough to adapt to your needs.

Easy & Organized

- ✓ Automatic rollover of exhibits between depositions
- ✓ Easy to share documents with a single click
- ✓ Automatically saved annotations
- ✓ Unlimited file size

Upload & Stamping

- ✓ Attorneys and court reporters can upload exhibits before or during the proceeding
- ✓ Stamp and annotate exhibits before or during the proceeding
- ✓ Fully-integrated, customizable exhibit stamp that can be sized and positioned

Sharing & Security

- ✓ Documents remain private until shared
- ✓ One-click direct to page for all attendees
- ✓ End-to-end encryption ensures exhibit security
- ✓ Manage annotation and stamping permissions
