

WEB DELIVERY THROUGH YESLAW ONLINE

Easily store, view, edit, search, and share your transcripts, exhibits, and synchronized videos online. YesLaw Transcripts are linked with PDF exhibits and uploaded to your secure site, and you can choose between view-only or full-access permissions on a transcript-by-transcript basis. For videos, there's no more exchange of media, just a secure login for the entire team.

FULL-FEATURED PDF TRANSCRIPTS

YesLaw allows reporters and agencies to create full-featured PDF transcripts.

- ✓ Hyperlinked exhibits
- ✓ Hyperlinked word index
- ✓ Cut and paste from PDF file

SYNCHRONIZED VIDEO

We provide high-quality synchronized video in .mdb (Sanction), .cms (TrialDirector), .lef, .ptf, and .vid (RealLegal-LiveNote) formats, which can be delivered online or via DVD. With either option, users can view, clip, edit, annotate, and send synchronized video content to their teams with easy-to-use built-in tools.
